Mr. Kenneth Sprankle Clerk and Staff Director Committee on Appropriations House of Representatives Washington, D.C.

Dear Mr. Sprankle:

The five super-grade (GS-16, 17 and 18) positions contained in the 1958 fiscal year budget of the National Security Council were originally established in the Central Intelligence Agency for the specific assignment of personnel to the Operations Coordination Board.

If and when the Congress gives approval to the establishment of like positions within the National Security Council, the super-grade positions now established within CIA will be abolished and the number of super-grades reduced accordingly.

Sincerely yours,
